- Enrolling a camper under an account that does not belong to their parent or legal guardian will result in immediate disqualification from the program.

- If a camper is disqualified due to a violation of the above policies, their weeks will be immediately refunded, and they will be removed from all registered weeks.
- For any weeks with a waitlist, the next person on the waitlist will automatically be enrolled, and the disqualified camper's spot will not be saved.
- Families wishing to re-enroll after disqualification must join the waitlist for any desired weeks and will be subject to availability at the time.

4. Adirondack Club Family Membership Discount

5. Installment/Payment Options

- When completing your registration, you have the option to pay it in full or choose the installment payment option

- The installment payment will charge you at the time of checkout for the \$75/week deposit plus any add-ons in your cart. It will then charge the remaining balance on 4/15/26
- If you are planning to get a family membership before 4/15/26 please pay the deposit at checkout and contact the children's services department by 4/8/26 to modify the scheduled payment
- Due to the limitations of the software we use, the installment payments will charge the credit card for each week in the order, not as a lump sum
